BUDGET UNIT DESCRIPTION:

This budget unit accounts for the Urban County Community Development Block Grant (CDBG) entitlement program administered by the County Executive Office. The program supports projects in the unincorporated area of Ventura County and the cities of Fillmore, Moorpark, Ojai, Port Hueneme, and Santa Paula. Projects in these areas include housing rehabilitation, affordable housing development, public facility improvement or construction, economic development, fair housing counseling services, public service activities, and efforts to assist the homeless. The cities of Thousand Oaks, Simi Valley, Camarillo, Oxnard and San Buenaventura each receive CDBG funds directly from the U.S. Department of Housing and Urban Development (HUD) to address the needs within their jurisdictions. Yearly, the Entitlement Area's federal grant is shared among the member jurisdictions based on a formula contained in the cooperating agreements negotiated between the parties. This is Ventura County's twenty-seventh year as an entitlement county.

BUDGET UNIT DESCRIPTION:

The Ventura County Revolving Loan Fund (RLF) Program was established in May 1995 with federal Department of Commerce, Economic Development Administration (EDA) funds to provide loans to businesses impacted by the January 1994 Northridge Earthquake. Eligible businesses were those that had been declined and/or did not receive sufficient funding by the Small Business Administration and loans were restricted to businesses located in the areas of Fillmore, Piru and Simi Valley. Lending criteria was later expanded to include businesses affected by other Presidential-declared disasters as well as disaster mitigation related activities. Loans are reviewed and approved by a Revolving Loan Fund Board. The Revolving Loan Fund Program is coordinated by the County Executive Office through a contract administrator.

BUDGET UNIT DESCRIPTION:

This budget unit was established during FY 1998-99 to track the Community Development Block Grant (CDBG) funded loans of the Ventura County Revolving Loan Fund (RLF) program. The County Executive Office administers this CDBG Loan program which is part of the \$2 million RLF program established after the Northridge earthquake with a grant from the federal Economic Development Administration (EDA). The County and cities of Fillmore and Simi Valley, using CDBG funds, provided the initial local match for the RLF. Phase I of the program provided loan funds to earthquake impacted businesses. The program was expanded to include other Presidentially-declared, disaster-related loans. Separate and distinct record keeping and fiscal accounting requirements for the CDBG funded portion of the loan program made it necessary to track this source of funding separately from the EDA grant.

BUDGET UNIT DESCRIPTION:

On July 1, 2000, the Workforce Investment Act (WIA) of 1998 was implemented to reform and redefine federal job training programs, adult education, literacy, and vocational rehabilitation. The legislation allows local Workforce Investment Boards the authority and flexibility to establish policies and determine budgets that will assist employers in training and developing the local workforce through the mandated One-Stop system.

In Ventura County, the Ventura County Board of Supervisors is the fiscal agent, and the Workforce Investment Board of Ventura County (WIB) is the grant recipient responsible for the local administration of WIA. In accordance with WIA requirements, the Board of Supervisors appoints 33-45 community leaders to the WIB to provide oversight of revenues and service delivery. By law, the WIB consists of a majority of business sector representatives, plus members from organized labor, economic development, education, government agencies, community-based organizations, and other mandated One-Stop system partners.

Under the Memorandum of Understanding between the WIB and the Board of Supervisors, the WIB directs the activities of the WIB Executive Director in carrying out the policies and priorities of the WIB. The WIB Executive Director and WIB Administration staff work closely with One-Stop system program operators and other providers to provide programs and services that are in alignment with workforce development needs in Ventura County.

The One-Stop system in Ventura County is comprised of the collective activities of the Job and Career Centers and other contracted program and service providers engaged in WIA business. The One-Stop consortium is part of the system and includes the Ventura County Human Services Agency - Business and Employment Services Department (BESD), the Ventura County Superintendent of Schools Office, and the Employment Development Department - Job Services Division.

BUDGET UNIT DESCRIPTION:

The RAIN Transitional Living Center (RAIN TLC) budget unit provides funding for the operation of a homeless transitional living center. Annually up to 120 homeless individuals, couples and families throughout the County are provided housing, meals, alcohol and drug treatment, mental health services, counseling, medical care, job club/job training, CalWORKs linkage, transportation, tutoring, and case management.

This is a 24/7 facility which oversees the various needs of the target population. The ultimate goal is to provide the continuum of care necessary to successfully transition the clients from homelessness to independent living with minimum reliance on subsidies or assistance programs. Dependent upon needs and circumstances, clients on average spend 6-12 months within the RAIN TLC. Per HUD regulations, clients may stay a maximum of 24 months; however this length of stay is rare.

The RAIN TLC addresses the basic needs (shelter, food, personal care supplies, etc and safe environment) of individuals and families who are homeless. In addition, intensive case management coupled with the development of a customized case plan and access to support services is provided for each resident at the RAIN TLC. Services such as individual and group counselling, credit counseling, budget and finance management, parenting skills, job readiness programs, as well as self-sufficiency courses are provided on site.

In addition to these programs, there are specific programs designed to support the children who reside at the RAIN TLC. These child-focused programs offer individual and group counseling, homework support and tutoring, structured activities such as art time, group play and group activities such as field trips to libraries, museums and the theater are also a key part of our children's programs. On average, 50% of the residents at the RAIN TLC are children. The children's programs are funded solely through grants.

Transportation is often a key barrier for the target population. At the RAIN TLC, transportation is provided to clients to assist with getting them to work, school, doctor's appointments, or other critical appointments. As a clients progresses through the program, they are provided assistance in either securing their own vehicle or learning how to use public transportation to prepare for self-sufficiency with regards to transportation after leaving the RAIN TLC.

Upon exiting the RAIN TLC, clients would have completed their case plan and provided assistance in securing stable housing. Case management is provided for an additional 6 months to ensure that the individual/family remains stable and housed.
