BUDGET UNIT DESCRIPTION:

The Board of Supervisors is the governing body for the County of Ventura. The Board has five members, each elected from one of the five supervisorial districts in the County for a term of office of four years. In exercising the powers of County government, the Board acts primarily in a legislative capacity. Specific legislative responsibilities include adoption of the annual County financial program, establishment of appropriation levels for all County agencies and departments, appointment of some non-elected officers, and the establishment of salaries for all County officials and employees. The Board is the guardian of the revenues, the property interests, and the rights of the County of Ventura. In addition, the Board has certain discretionary powers, such as the granting or denying of claims made against the County, and executive powers that enable it to fix and supervise the policies and operations of the County. The Board serves as the governing body for a number of special districts, including the Fire Protection District, Watershed Protection District, Waterworks Districts, and County Service Areas. The Board also serves as the municipal government for the unincorporated areas of the County.

BUDGET UNIT DESCRIPTION:

In June 2011, Assembly Bill x1 26 (AB x1 26) was enacted by the State Legislature. This bill dissolved all California Redevelopment Agencies (RDA's) effective January 31, 2012 (as extended by California Supreme Court ruling California Redevelopment Assn. v. Matosantos (S194861) (2011)). The County had one RDA, consisting of the Piru Area Redevelopment Project Plan, originally created in May 1995 in response to the damage caused by the 1994 Northridge Earthquake. Included within the RDA was the Low and Moderate Income Housing Fund, from which the Piru Housing Conservation Program was administered. This Program aims at increasing and improving the supply of affordable housing while preserving the character of the community.

On January 24, 2012, the County elected to retain the housing assets, functions, and powers previously performed by the Piru RDA pursuant to Health and Safety Code Section 34176(a). As allowed for by the Code, the Piru Housing Conservation Program will continue to be operated within this budget unit.

BUDGET UNIT DESCRIPTION:

The County Treasury is the depository for County, school district and special district funds. All banking functions, including processing of deposits, payment of County checks and investment of funds are handled by the Treasury. Funds are invested to provide maximum safety while achieving the highest possible rate of return. The Treasurer works with other County officials in the implementation and administration of various financing programs. The Tax Collector is responsible for the billing, collection and accounting for all personal and real property taxes levied in the County. Further, the Tax Collector collects taxes on mobile homes, business license fees in the unincorporated area, franchise tax, transient occupancy tax, racehorse tax, and various other taxes and special assessments. The Tax Collector is responsible for conducting public auctions and sealed bid sales on tax-defaulted properties. The Tax Collector's programs are all mandated by the Revenue and Taxation Code, Government Code and County Ordinance. We collect, process, and invest, safely and prudently, local tax revenues in a consistently effective, cost-efficient and courteous manner, with thoughtful innovation and transparent accountability, so as to provide the people of Ventura County and local government the highest level of professional service that our abilities and resources allow.
