JOANNE McDONALD

February 12, 2008

Honorable Board of Supervisors
County of Ventura
800 South Victoria Avenue
Ventura, CA 93009

**SUBJECT: FIRST QUARTER FY 2007-08 COUNT OF CASH
IN CUSTODY OF THE TREASURY**

RECOMMENDATION: Receive and file the enclosed report.

FISCAL/MANDATES IMPACT: None.

DISCUSSION: Government Code Sections 26920 and 26922, and County Board of Supervisors' resolution dated September 28, 1971, require the Auditor-Controller to conduct a quarterly cash count of the money in the County Treasury. The purpose of the cash count is to determine whether cash and investments as shown on the "Statement of Money in County Treasury" (Statement) were reasonably stated. As noted in the enclosed report, we found that the Statement reasonably stated cash and investments of approximately \$1.5 billion deposited with the Treasury as of September 12, 2007.

This item has been reviewed by the Treasurer-Tax Collector, County Executive Office, and County Counsel.

If you have any questions, please call me at 654-3151.

Sincerely,

CHRISTINE L. COHEN
Auditor-Controller

**FIRST QUARTER FY 2007-08 COUNT OF CASH
IN CUSTODY OF THE TREASURY**

To the Honorable Board of Supervisors
County of Ventura, California:

In accordance with California Government Code Sections (GC §) 26920 and 26922, and County Board of Supervisors' resolution dated September 28, 1971, the Auditor-Controller has completed the first quarter FY 2007-08 cash count of the money in the County Treasury.

SCOPE: Our overall objective was to determine whether cash and investments as shown on the "Statement of Money in County Treasury" (Statement), as of September 12, 2007 (enclosed), were reasonably stated. Specifically, we: counted cash in the Treasury; verified and confirmed balances as shown on the Statement; determined whether the Treasury cash was in agreement with the Ventura County Financial Management System (VCFMS) in accordance with GC § 26905; and evaluated investments with respect to dollar amount and type for compliance with GC § 53601 and 53635.

FINDINGS: Overall, we found that the Statement reasonably stated cash and investments of approximately \$1.5 billion deposited with the Treasury as of September 12, 2007, on the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Using this basis of accounting, the balance in the accompanying Statement does not reflect outstanding checks totaling approximately \$11,144,892. Our cash count also disclosed that the Treasury cash was in agreement with VCFMS in accordance with GC § 26905 and that investments complied with the dollar and type of requirements of GC § 53601 and 53635.

Sincerely,

CHRISTINE L. COHEN
Auditor-Controller
