

County of Ventura
AUDITOR-CONTROLLER
MEMORANDUM

To: Barbara Beatty, Deputy Director Auditor-Controller

Date: August 19, 2014

From: Andrew Huey, Internal Auditor *AH*

Subject: FISCAL YEAR (FY) 2013-14 INTERNAL QUALITY ASSURANCE REVIEW

I have completed the Internal Quality Assurance Review of the Ventura County Internal Audit Division (IAD) for the period July 1, 2013, through June 30, 2014. The results of my review are summarized below.

BACKGROUND

The IAD, through cooperation with County management, accomplishes timely audits that foster positive change to reduce risk and enhance the economy, efficiency, and effectiveness of Ventura County departments and agencies. During FY 2013-14, the IAD was allocated 8 budgeted positions and issued 15 reports.

In accordance with Government Code Section 1236, the IAD conducts audits in conformance with the *International Standards for the Professional Practice of Internal Auditing (IIA Standards)*, promulgated by The Institute of Internal Auditors or, where appropriate, *Government Auditing Standards*, issued by the Comptroller General of the United States. These standards provide a framework for conducting high quality audits with competence, integrity, objectivity, and independence. To this end, a quality assurance program has been established to provide reasonable assurance of the IAD's conformance/compliance with the standards. The IAD's quality assurance program includes both internal and external assessments.

SCOPE

The overall objective was to determine whether the IAD's internal quality control system was in place and operating effectively to provide reasonable assurance that established policies and procedures and applicable auditing standards were followed. Specifically, the review determined whether:

- the IAD established and implemented appropriate methods, policies, and procedures to comply with *IIA Standards* for performance audits; and
- the IAD's methods, policies, and procedures were operating effectively for auditors, during the performance of an audit, to comply with auditing standards.

The review included the evaluation of reports and work papers from three judgmentally selected performance audits. The review also included evaluation of annual conflict of interest statements, continuing professional education documents, IAD desk procedures, and applicable auditing standards. The review covered audit reports issued from July 1, 2013, through June 30, 2014.

FINDINGS

Overall, the IAD followed established policies and procedures and applicable auditing standards required by the *IIA Standards*.

This report does not contain findings requiring corrective action by IAD management.

Thank you for your cooperation and assistance during this review.
