FISCAL/MANDATES IMPACT: None.

DISCUSSION: Government Code Sections 26920 and 26922 require the Auditor-Controller to conduct a quarterly count of the money in the County Treasury. **COUNT OF CASH IN CUSTODY OF THE TREASURY
FOR THE SECOND QUARTER OF FISCAL YEAR 2016-17**

To the Honorable Board of Supervisors
County of Ventura, California:

In accordance with California Government Code Sections (GC §) 26920 and 26922, the Auditor-Controller has completed the count of the money in the County Treasury for the second quarter of fiscal year 2016-17.

SCOPE: Our overall objective was to determine whether cash and investments as shown on the "Statement of Money in County Treasury" (Statement), as of December 28, 2016, were reasonably stated. Specifically, we: counted cash in the Treasury; verified and confirmed balances as shown on the Statement; determined whether the Treasury cash was in agreement with the Ventura County Financial Management System (VCFMS) in accordance with GC § 26905; and evaluated investments with respect to dollar amount and type for compliance with GC § 53601 and 53635.

FINDINGS: Overall, we found that the Statement reasonably stated cash and investments of approximately \$2.6 billion deposited with the Treasury as of December 28, 2016, on the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Using this basis of accounting, the balance in the accompanying Statement does not reflect outstanding checks totaling approximately \$59,809,463. Our cash count also disclosed that the Treasury cash was in agreement with VCFMS in accordance with GC § 26905 and that investments complied with the dollar and type of requirements of GC § 53601 and 53635.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeffery S. Burgh".
