This is my personal obligation and shall not be affected by sale or transfer of the property subject to the application, changes in business organization, or any other reason. As work proceeds on an application, actual County costs, as established by the County, will be charged against the fee deposit. The County shall exercise its sole discretion in determining whether it is necessary to engage the services of outside contractors or consultants to assist with application processing, which costs are to be paid by me as part of the fee.
4. If it is determined that the amount paid will not be adequate to cover all costs associated with application processing, I shall pay additional monies, or the application will be deemed withdrawn. In the event that any claim, action, or proceeding as described above is filed against the County, I shall within 30 days of the filing make an additional deposit of \$10,000 to the County to cover the costs or expenses involved in County defense. If during the litigation process, actual costs or expenses incurred reach 80% of the amount on deposit, I shall deposit additional funds sufficient to bring the balance up to the amount of \$10,000.
8. The County shall have the sole and absolute right to approve any and all counsel employed to defend the County. To the extent the County uses any of its resources to respond to such claim, action or proceeding, or to assist the defense, I will reimburse the County for those costs. Such resources include, but are not limited to, staff time, court costs, County Counsel's time, or any other direct or indirect cost associated with responding to, or assisting in defense of, the claim, action, or proceedings.

11. This Agreement shall constitute a separate agreement from any License approval, and that if the License, in part or in whole, is revoked, invalidated, rendered null or set aside by a court of competent jurisdiction, I agree to be bound by the terms of this Agreement, which shall survive such invalidation, nullification or setting aside.
