

Please cut and paste the following declaration language on the 1200-foot radius map submitted to the Planning Division:

**1200-ft Radius Declaration**

I am applicant or am acting as an authorized agent of an applicant for a Commercial Cannabis Zoning Clearance from the County of Ventura ("County") to authorize the cultivation of cannabis and ancillary activities. I understand that the attached 1200-foot radius map is being used for the sole purpose of determining whether a day care center, school, youth center, drug rehabilitation center, park or residential neighborhood (collectively, "sensitive use"), as each of these italicized terms is defined in Section 2701 of the Ventura County Ordinance Code, existed as of March 4, 2020 within 1200 feet of the premises (as also defined in Section 2701) as measured in a straight line to the property line of the parcel containing a sensitive use. I swear, under penalty of perjury, that the 1200-foot radius map has been prepared in accordance with Sections 2701 (Definitions) and 2703(a) (General Commercial Cannabis Activities Development Standards) of the Ventura County Ordinance Code and that, to the best of my knowledge, there was no publicly available information identifying a parcel which, as of March 4, 2020, contained a sensitive use within 1200 feet of the premises.
