Dear Community Partners,

The Housing Rights Center will be holding a webinar this Friday, May 8th from 2 - 4 PM about COVID-19 Resources.

The presentation will go in depth into state, county, and local COVID-19 Tenant Protections and help tenants formulate a letter to their landlord if they cannot pay some or all of their rent. HRC will also provide information on further resources that can assist tenants dealing with loss of income during this time.

Stay tuned for our #HRCUpdates, #ProtectedClassSeries and upcoming special webinars on redlining and displacement.

If you have any questions, please contact the Outreach, Media, and Education Department at here.

Sincerely,

Susan Lin
