

# Stop the Spread of Germs

Help prevent the spread of respiratory diseases like COVID-19.

Stay at least 6 feet  
(about 2 arms' length)  
from other people.

Cover your cough or sneeze with a  
tissue, then throw the tissue in the  
trash and wash your hands.

When in public, wear a  
face covering over your  
nose and mouth.

Do not touch your  
eyes, nose, and mouth.

Clean and disinfect  
frequently touched  
objects and surfaces.

Stay home when you are sick,  
except to get medical care.

Wash your hands often with soap  
and water for at least 20 seconds.
